Question

Can you imagine the wonderful feasts?

Solution

Highlights of the Esterházy Palace

Valuable porcelain, silver cutlery, exotic chinese vases, fine wood, clocks and candle holders with sculptures from the world of the gods, or comfortable sitting with soft cushions - all this was a must for the aristocracy in the 18th and early 19th centuries. They showed what they had and

celebrated it. From this life of the Prince Esterházy unique “highlights” are presented, which have been dormant in depots and, after careful restoration, now can be seen for the first time. Also exposed old wall sockets or floor and door constructions literally give a glimpse into the eventful past of the castle rooms.
